

Weekly Report

Name: Nilesh Hampiholi

Matriculation No.: 54811

Topic: Robot Guided Surface Scanning with Ultrasound

Date: 14|05|2021

Tasks Done:

- Research on Ultrasound
- Research on Calibration using Ultrasound

Questions:

- You mentioned I will be getting some ID and password by when will I be receiving that?
- Can I get some research papers or link that you guys are referring?
