

Weekly Report

Name: Nilesh Hampiholi

Matriculation No.: 54811

Topic: Robot Guided Surface Scanning with Ultrasound

Date: 6|2|2022

Tasks Done:

- QR24 results matches the given results there was no much error in that.
- I think I have messed up some scaling that's why the results are not meaningful but I think I will figure it out soon.
- I have finished in initial draft of report until hand eye calibration.
